Dear Sir/Madame:

Established in 1994, Child Foundation is a leading humanitarian organization with simple objective of fostering the success of gifted and disadvantaged children. Child Foundation is pleased to invite you to its “Sixth Annual Fundraising 2006”. **The event will take place in eight cities around the world on November 19, 2006, Canada, the USA and Europe.** Universal Children’s Day is recognized by the United Nations. Child Foundation is in Special Consultative Status with United Nations, ECOSOC.

Child Foundation advocates quality basic education for all children. We encourage getting girls in school and help these children to stay in school ensuring that they receive proper education. We support the rights of children to a basic quality of life and try to correlate our efforts to Millennium Development Goals set by the United Nations States in 2000. We are trying to advocate and promote young people to learn more about the Convention on the Rights of the Child (CRC). **Our goal is to eradicate extreme hunger, poverty and promote basic education in children, which will be Child Foundation’s most ambitious international initiative.**

We are seeking Corporate Sponsors just like you to support and maintain the Child Foundation mission. So, please take a few moments to review the enclosed sponsorship package. Please note that donations to Child Foundation are tax deductible as permitted by law. We are anxious to hear from you and hope that you are able to join us in our “Universal Children’s Day, 2006”.
